Electronic File Submission Requirements

Platform/Media: MAC CD ROM, 100 MB Zip • PC CD ROM, 100 MB Zip • Email • FTP

Proofs: Proofs of final version of files to be imaged must be provided with electronic files. Proofs must be at 100 percent, please tile if necessary. Also include crop marks to show finished size. Files will not be imaged without proofs.

Software & Version: Both MAC/PC QuarkXpress® versions 5 or 8.02, Adobe® Photoshop® CS4 11.0.1, Adobe® Illustrator® CS4 14.0, Adobe® InDesign® CS4 6.0.1 and high-res PDF's with fonts embedded. We do not accept Publisher, Microsoft® PowerPoint or CorelDraw® files.

Fonts: To minimize any problems in processing your files, please use only Postscript type1 fonts. You must send all of the fonts used in your digital files. We will use these fonts only to output your material. Prior to sending a disk for output, please use a preflight program to ensure that all necessary elements are on the disk – such as images, fonts, miscellaneous linked files, etc. Also, please verify that you are sending the correct version of the files.

Images: Acceptable electronic file formats are TIFF, JPEG or EPS. Images should be scanned at sufficient resolution for the screens used.

- Spot color ads at 100 line screen
- B&W ads at 85 line screen

Note: Scanning at a higher resolution than necessary increases the file size without adding image quality.
